I let it fall, my heart,  
And as it fell you also claim it.  
It was dark and I was all right,  
Until you kissed my lips and you saved me.  
My hands they're strong, but my knees were far too weak,  
Stand in your arms without fall into your feet,  
But there's a side to you that I never knew, I never knew.  
All the things you say that where never, where never true,  
And the games you play, you always, always win.

[Refrain]

But I [set fire to the rain](#),  
Watch it pour as I touched your face,  
Let it burn while I cry,  
Cause I heard it screaming at your name, your name!

When I'm with you I could stay there,  
Close my eyes, feel you're here forever,  
You and me together, nothing is better!  
Cause there's a side to you that I never, never knew,  
All the things you say that where never true, never true,  
And the games you play, you would always, always win.

[Refrain]

But I set fire to the rain,  
Watch it pour as I touched your face,  
Let it burn while I cry,  
Cause I heard it screaming at your name, your name!  
I set fire to the rain  
And I feel lost into the...  
And it felt something nice,  
Cause I knew that that was the last time, the last time!

Sometimes I wake up by the door,  
...gone...waiting further.  
Even that...  
I can't help myself from looking further.

[Refrain]

I set fire to the rain,  
Watch it pour as I touch your face,  
Let it burn when I cry,  
Cause I heard it screaming your name, your name  
I set fire to the rain,  
And I feel lost into the...  
Cause I knew that was the last time  
The last time, oh, oh!
